

# AQUA GYM BAG

*This waterproof bag is designed for aquafitness activities.*

Your aqua sports bag is the functional companion you can always count on.

Fitted with removable and adjustable handles as well as two straps with a velcro grip, this bag can be carried comfortably on the shoulder or in the hand.

With its **dimensions adapted to the locker**, you can easily store away your belongings in the locker room. Each of your equipment will find its designated place in this bag: your shoes are stored away from the contents of the bag in a front compartment, wet items in a **waterproof side compartment**, and your keys and wallet in a secure pocket inside the bag.

Made of polyester, this sports bag is dirt and moisture resistant. Reinforcements under the bag provide extra protection when it is placed on the ground.

## ADVANTAGES

- + Adapted to the locker's dimensions
- + Water and mould-proof
- + Zipped up side compartment
- + Inside pocket for shoes

# AQUA GYM BAG

## Large bag with multiple pockets

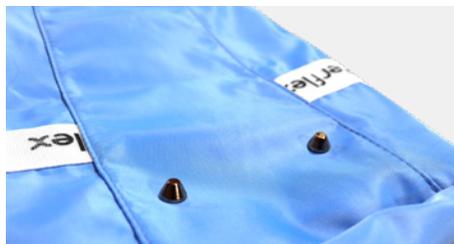

The Aqua Gym Bag has a number of pockets: a main one for all your sports equipment, one for your shoes, a waterproof one for your wet items, and one for your keys and other personal belongings.

## Velcro handles

The Aqua Gym Bag is easy to carry and does not hurt your hands. Thanks to its velcro handle, your bag can be carried either by hand or on the shoulder with its shoulder strap.

## Pocket for shoes

No worries, your accessories each have their place in your sports bag. A pocket to store your shoes easily, without the risk of dirtying your other personal belongings.

## Waterproof compartment

You can easily store your wet swimming costume or bathing cap without the risk of getting your other things wet.

## Reinforcements under the bag

Underneath this sturdy bag you will find reinforcements so you can place it on the floor without any risk of damage to it.
